Trip Summary

This is more a luxury tour, as it allows you to explore and experience the most popular destinations that Nepal. Discover the magic and mystery of Kathmandu – immerse yourself in the fascination throughout the colorful array of bustling streets, rich historic heritage, exquisite temples and religious sites. Take an early morning meandering drive to the hilltop of Nagarkot for a breathtaking sunrise. It's the perfect place to view many of the Himalayan greats such as Manaslu, Ganesh Himal, Gauri Shanker as well as Mount Everest; we believe it's the ideal way to begin your day.

The delightful scenic lakeside town of Pokhara with the spectacular backdrop of Machhapuchhre rising behind it all creates an ambiance of peace and magic. Pokhara is nestled in a tranquil valley, although it has a much more tropical feel to it, a fact well appreciated by the beautiful diversity of flowers that bloom throughout. There are many must see places to discover, from the Gupteshwar sacred Caves to the historical Memorial Museum dedicated to the famous Gurkha Warriors.

Our journey continues to the wild and mysterious Chitwan National Park, a popular destination for visitors wanting to have a good experience of the region's wildlife, tranquility and remoteness. Park activities include exploring the jungle on elephant back and dugout canoe. The park offers protection to 56 species of mammals including the one horned rhinoceros, bengal tiger, leopard, sloth bear, wild elephant, striped hyena, Ganges dolphin and wild bison along with many species of birds, fish, butterflies and 47 species of reptiles.

Last but certainly not least to top off this amazing experience is a one hour flight that takes you within camera range of some of the highest peaks in the world, and cursing this close to the awe-inspiring massifs of rock and ice, is an out-of-this world experience. This scenic Everest flight offers the closest possible aerial views of Mt Everest, Kanchenjunga including many other mountains along with the Tibetan Plateau.

During the course of this trip, you will be guided and travel by deluxe air-conditioned coach. Most of the accommodation during the tour is deluxe and four to five star. There are many places throughout the tour where you can gain some authentic souvenirs including carpets, handicrafts, carvings and Thankas
